Sir,

COMMUNITY PROJECT--South Kanara--Social Edu.
Starting of Hindi Classes--revised expenditure--
certain modification--requested. b9/D

Ref. S. No. 1170/54. D.O. No. 1/54-1-1954.

-- p9/D

In para 2 of the D.O. cited, it has been stated that a total contribution of Rs. 1270/- has been collected and credited to the Project funds. In this context, I invite kind attention to my letter Ref. 5142/54-1 dated 6-1-1954 in which I have stated that the contribution of Rs. 5/- expected from the villagers may be allowed to be paid to the teachers direct on the understanding that the teachers will pass a full receipt for Rs. 5/- while receiving the honoraria paid from Community Project funds. The Chief Social Educational Officer reports that it is not possible to collect cash contribution as the villagers have promised the contribution to be paid to the teacher direct either in cash or in kind. In view of this I request that the orders passed in D.O. cited above may be modified so far as it relates to the credit of the contribution to the Treasury and orders issued accordingly.

Some Hindi Classes are working since 15-2-1954 onwards and there has been pressing demand for the payment of honoraria to the teachers in those centres. I am, therefore, taking action to draw and disburse the honoraria due to the teachers of the centres upto 15-2-1954. My action in this respect may kindly be approved.

Yours faithfully,

A. Narasimha

Project Executive Officer.
